## Silver Lining

 18  1  1

### Chapter 1 by Jenny Neill

Think of something ugly (war, fear, hate, etc.) and tell me what is beautiful about it.

### Chapter 2 by New Blue Clue

Something ugly is disrespectful people. Though their gossip is insignificant and insults pitiful, there is something beautiful about the way it brings them together. They have the ability to take the negative qualities of someone and turn it into a laughing matter (even if it is in an unkind fashion). They become a close knit group with a purpose. They do not bat an eye when others dislike them because they are accepted in their group. In a way, being disrespectful is both ugly and beautiful at the same time.
